Love Notes

Our customers say it best! These Love Notes share real feedback from teachers, schools, and families who use Frog Publications to support learning every day.

"The Frog System is a teacher's dream. Everything you need is there."
-Joyce, Elementary Specialist

"I ablsolutely LOVE Drops in the Bucket® workbooks! These books cover so many different skills on one page! My students love working on these daily to improve their academic skills!"
-Mandy, Special Education

"I have used Drops in the Bucket® for years and absolutely LOVE the product! You have helped so many children! I recommend your product ALL the time!!!"
Elsie G.

"The Family Fun-Pack program is a godsend and a lifesaver to parental involvement.
- Donna G.
NW AR Co-op

"I've been using Frog games for 10 years. They are tops in my book!"
- S. Ferguson

"Even my little Kindergarteners can play on their own!"
- M. Peck

"Absolutely the best review resource on the market today. Positive results all year long. Compact and easy to understand. Thank you so much. Make more!
-Skip S.,
Inwood, WV

"I have been using Drops in the Bucket since I began teaching and I love them. The students love them as well!"
- Braxton B.

"I have loved FROG games for over 30 years. I recently retired & I am looking to purchase more sets for tutoring. Thank you for a fabulous product that has stood the test of time! Students these days need to be playing board games."
- Penny K.

"I am a special education teacher who loves using Drops in the Bucket- my class is always changing and I love to have the ability for each kid to use something at their own level!"
- Julie M.

"I love that I can trust these games to reinforce what we are learning in class in a fun, meaningful way!"
- Laura D.,
Ocean Springs, MI

"The Family Fun-Packs have engaged everyone here!
- Charlyn P.

"A WONDERFUL SOURCE for constant and quick review to keep kiddos up to speed on everything"
- Lori B., 2nd Grade Teacher

"I LOVE Drops in the Bucket. RTI classes need great materials like your company creates."
- Andrea R., RTI Teacher

"I love how the Drops in the Bucket build upon the student's skill levels and that it is research based."
- Beckee S.
